

W.H Shurtleff PS 4427 and ACF Cylindrical Hoppers HO Scale

W.H. Shurtleff rostered 14 Covered Hoppers for use in Salt Service out of Portland, Maine between 1965 and 1983. They were in 2 batches of seven cars. 101-107 were 3500 CUFT ACF Cylindrical Hoppers built in 1968. 108-114 were Pullman Standard 4427 CUFT built in 1968. All 14 lasted until 1983. Carbody is Light Gray. The Cylindricals had all Red lettering and the 4427's had a Black top line of lettering. This set will do one of each car.
